WHAT'S HAPPENING...

Earlier this year St Anthony's Interim Parish Council were asked to investigate issues with car parking for weekday masses and funerals. Vicki contacted Councillor Roz Blades regarding the possibility of changing the street signs which Roz organised. Parking is now allowed from 9.15am on the Church side of Buckley Street only. Thank you Roz Blades.

Thanks to the generosity of our school staff, we will be trialing the following: STAFF ONLY will park their cars in the school yard near the Small Hall and in the parking bays between the Hall and School Administration Office. We hope this will ease the congestion in our car park.

Last Friday, Bishop Peter Elliott visited Resurrection Parish and inspected the construction of the New Church. Bishop Peter was very enthusiastic about the New Church and its progress. He was very encouraging of Mark Meaden, the architect and his wonderful design. Those working on the Church have been hard working and very respectful to all on the Parish site. The completion of the Church is due in December.

Recently Longinus request the Archbishop's permission for further study in Psychology. This has been approved and Longinus will be studying at Melbourne University in 2015. Last week we received the news that Sang Ho will

be joining our Parish Team starting on 26 November 2014. We presume Longinus will continue with us until we hear something different. Congratulations to Longinus and Sang.

Vicki has been discerning the pastoral associate role to be a full time Parish Manager overseeing the two Parishes. This week we have started advertising for an accredited Pastoral Associate. For a role description contact Resurrection Parish. Application close 13 November 2014.

St Anthony's Annual Carnival will be held on Saturday 15 November 2014. Raffle tickets will be available and on sale at both Parishes this weekend. Thank you for your support.

Have a good week
